

Date: January 4, 2026

To Whom It May Concern,

This is to certify that **Ms. Manjila Adhikari** successfully completed her internship in **Data Science / Machine Learning** at **Simnyx** from **October 17, 2025 to January 4, 2026**.

During the internship period, Manjila demonstrated strong analytical skills, a good understanding of data science and machine learning concepts, and a willingness to learn and adapt. She actively participated in assigned tasks, worked with datasets, contributed to model development and successfully presented her report to stakeholders under guidance.

Her performance throughout the internship was found to be sincere and satisfactory. She maintained a professional attitude and showed good teamwork and problem-solving abilities.

We wish her all the best for her future academic and professional endeavors.
